

## **Call to CCCBA Members -**

### **Volunteer for 2 Hours/Month at a Legal Clinic for Seniors in Pinole**

A volunteer attorney is needed to staff a 2-hour “general advice” “Consult an Attorney” clinic held monthly on a regular date/time of your choosing at the Pinole Senior Center. Training is provided; no specialized knowledge of elder law is required.

This opportunity is unique, as the volunteer’s time commitment is finite - seniors visit the Pinole clinic for one stand-alone advising session only, with no continuing case file opened and no continuing duties for the volunteer once the appointment concludes.

Thanks to the generosity of CCCBA members, the Pittsburg, Martinez, and San Pablo clinics are fully staffed! If you can help seniors with general legal questions and would like more information, please contact Gina at [legalhelp@ccls.org](mailto:legalhelp@ccls.org) or (925) 609-7900.
