Custom Marketing Strategy

Bilingual Intake Consulting

Scalable Firm Growth

"Abogados NOW has completely changed the way I see legal marketing... they've established my firm in markets most of my competitors are ignoring. I never imagined needing to hire an intake staff as much as I am right now. It's a game changer."

David Winston – Employment Law Attorney in Los Angeles, CA

"Hugo and the firm are in touch with customers that I want to reach. They have done all the research to ensure that the money you spend with them achieves measurable results... I've started receiving more potential new client calls since signing up with Abogados NOW. I highly recommend this firm!"

Leo Herrera – Personal Injury Attorney in Ontario, CA
