RENEW YOUR MEMBERSHIP

Your membership helped us offer important services to Attorneys and to the Community this year:

- In collaboration with our 20 sections, we offered more than 180 programs. This year’s events included a Member Information Program along with numerous Happy Hour networking mixers and other social events. This year we added three very popular events: Lunar New Year, Judges Night and a Diversity Networking Mixer with Minority Bar Associations.

- In addition, we offered several sessions on Updates on the New Rules of Professional Conduct as well as self-study opportunities to earn legal education credits and worked with our partner organizations to offer member discounts to outside MCLE events. Our annual MCLE Spectacular on November 16 once again features top-notch speakers and presenters. Join us and earn up to 8 MCLE credits in one day!

- Our Lawyer Referral & Information Service (LRIS) held a popular Family Law Moderate Means Training Program that encouraged more members to offer their services to the public via CCCBA’s Moderate Means program. This year the LRIS helped CCCBA member panelists build their practices, with over 5,700 calls resulting in client consultations. Ask us how to JOIN!

- With your help, we offered unmatched support to our community with over 50 free legal clinics and workshops. We hosted a District Attorneys Candidates Forum in April. We continued to raise money for the Food Bank of Contra Costa & Solano through our annual Food from the Bar competition and with the help of our generous donors, we supported the Richard E. Arnason Court Scholarship Program and the Contra Costa County Public Law Library, raising over $53,000 to support these two worthy programs in our county.

We are proud of our successes in 2018. We couldn’t have done it without you! With your support, we can offer even more opportunities for personal and professional development to members like you, and give back to the community in meaningful and rewarding ways.
