

The New Rules of Professional Conduct What You NEED to Know!

The State Bar will implement 69 new Rules of Professional Conduct, effective November 2018. The Rules will apply to more than 250,000 attorneys licensed in California. As the first overhaul of ethics rules in nearly 30 years, these Rules represent some fundamental changes.

The CCCBA has organized three sessions to be presented by leading experts in the field. Choose the session that is most convenient for you.
