About The Chef

Mike has over 30 years experience in the Food industry and is a Culinary Graduate of Lederwolf Academy.

Through Oasis Catering, Mike's cooking experience truly shines. He has 'Wow'd' our clients with his specialty gravy's, dressings and sauces (see specialty items). His ability to have the complete menu prepared equally delicious; has surprised many.

This past season we put the spotlight on our Oasis BBQ Ribs! We were approached by many, who asked, "When are we going to open a rib joint?" Don't know about that, but I do know we will bring them back in January, just in time for Super bowl; where you can order them by the slab! Can't Wait!

Our catering division is available any and all hours. We offer buffet, light service, no service, delivery / drop-off and pick-up to match any budget. We specialize in corporate meetings for breakfast, lunch and dinner both drop-off or buffet.

Corporate Events

Located in the Stanwell Concord business, we have extensive experience in catering various corporate events for some of the largest businesses throughout the San Francisco Bay Area. Events that we can provide catering for include, business meetings, all day events, seminars, kick-off meetings, corporate cocktail parties, product launches, Kick off meetings, conferences, trade shows, fundraisers and corporate holiday parties. Here are what a few of our corporate clients have to say about us.

I wanted to take a moment to thank you for taking such good care of us over the past few years. Café Oasis has been an integral part of our training programs due to the fact that, aside from you delectable meals, you are reliable, honest and professional. It's a comfort to know that meal orders for our company can be ordered for several months in advance and I don't have to worry about anything else. You are always on time, your food is always fresh and tasty and your staff is friendly. Café Oasis provides outstanding service and we feel more like friends and family to you than customers.

You folks get two thumbs up for the delicious Turkey Dinner that was served at Calex Mfg yesterday. It was as good as home cooked. The turkey was moist & hot as was the gravy, mashed potatoes and the dressing was to die for, I had it for dinner last night. I was the chair person for the activities committee for two years and never had a more delicious meal. EVERYONE loved it which never happens! Good Job & Thank You.
