Again to let you know about Zio Fraedos, we have been in business for forty years and counting! We are a full service restaurant with three private banquet rooms available. Each room has the capacity to hold 80 guests at round tables and we can accommodate up to 250 guests using all three rooms.

We take pride in serving our community, having served Contra Costa County and the City of Pleasant Hill for over 40 years!

We will do our best to work with any reasonable budget and would be happy to put together a proposal for you and hopefully we can accommodate your needs and host your event here.

We own audio visual equipment, so if you are doing a slide show or presentation, we can rent the equipment to you for a minimal fee.

We serve many groups and organizations and host social and corporate events all year round.

We can accommodate parking for up to 100 cars on our own private lot. We are located in Pleasant Hill and would welcome the opportunity to be of service to you.
