CCCBA Guidelines re Section Sponsorship Income

Updated: 7.15.2022

Sponsorship income procured by CCCBA staff for a section organized MCLE program or social event shall be allocated as follows:

- 1) The total amount of sponsorship income will be divided equally between the primary hosting Section and the CCCBA, with up to \$1000 maximum to the CCCBA. (e.g. for a \$500 sponsorship: \$250 CCCBA/\$250 Section; for a \$2000 sponsorship: \$1000 CCCBA /\$1000 Section; for a \$2500 sponsorship: \$1000 CCCBA/\$1500 Section etc...)
- 2) An exception is made when the primary purpose of the event is to raise funds for a specific charitable donation (e.g. a scholarship sponsored by the section, an organization or a cause the section wishes to support etc...), then the primary hosting Section will receive 100% of the sponsorship income.
